TRUMP TITTIES

The Don's daughter's presidential puppies

IF DONALD Trump does win the US election and gets to live in the White House, odds on he's gunna have heaps of fucken parties for world leaders there.

And he's gunna need the family to pitch in and help hand around the savouries, pour people drinks, that sort of thing.

We reckon it'd be really nice if his daughter Ivanka bunged on an apron and did a bit of the work, y'know?

Cos when she's got the headlights on full beam, what dirty COMMIE dictator could resist her?

We reckon Vladimir Putin would roll over and asked for his belly to be scratched if Ivanka passed around the mini sausso rolls dressed in this little number from back in her modelling days. The Picture

This farm-girl porn star will buck you silly!

BEING a farmer's daughter from the DEEP MIDDLE of the YOO-ESS-AY, it comes as no surprise to that Hayden Hawkens lost her cherry surrounded by cows.

"We started off in the car parked in the middle of all these fields, but it was too cramped so we got out and he started fucking me on the hood of the car," she recalls all misty-eyed.

"Then I looked up and there were all these cows around us, staring."

HEAD 'EM UP, MOVE 'EM OUT!

"He fucked me on the hood of the car and the cows watched"

New Tits On the block

Cows ain't dumb – they appreciate a free porno show when they see one.

Now it's not only cows getting an eyeful of Hayden's humpin' talents. With a few years of professional FUCK ACTING under her belt, the 25-year-old from Wichita, Kansas, has cornered the market for down-to-earth, blonde, blue-eyed, farm-girl porn stars.

"I worked at Subway for a short time, then other waitress work, and I was working at a strip club. Everyone kept telling me I should model. I thought about it for a looooooong time before I started, but now I LOVE IT! If I hadn't come into the adult industry I'd probably still be in Wichita working at a Hooters."

Even though she LOVETH THE COCK in her personal life, Hayden has so far only played for the PINK team on camera, which helps satisfy her CRAVING for CLAM.

"I love the girls I get to work with. On one shoot we went to the desert and had an orgy in a beautiful pool, with white balls floating on the water. That and the sexy girls made it the best day ever."

She gets raps for her perky TITS and taut DATE, but Hayden reckons it's her pins that keep her appointment book full.

"My legs are my favourite part of my body. I can wrap them around anyone! I love the looks I get when I wear a short dress with sexy heels." ■ Picture

Believe it or not, this shit happened!

Aw, what a cute li'l fella!

RAT-FACED

A WOMAN in New York claims she was served up a southern fried RAT HEAD with her chicken. Rosemary Thomas was having lunch with with her sister, daughter and niece when she found the added bonus in her tucker at a branch of the fast-food chain Popeye's in Harlem. "Friends and family, this is a meal Popeye's in Harlem served my daughter, my niece and sister,' she wrote on her Facebook page. Rosemary said her daughter had been pukin' nonstop ever since. Popeye's spokeswoman Renee Kopowski said that the franchise owner had been contacted about the "alleged" rat head.

#273 WE DREW A COCK ON IT

THAT'S A WRAP

A PAIR of young Vietnamese romantics shredded their delicate ROOTING GEAR when they used a plazzo shopping bag instead of a franger. The uni students from Hanoi, about to embark on their FIRST EVER fuck, were too shy to ask the chick at the chemists for some COCK SOCKS and so resorted to wrapping the bloke's cock in one of those freebie plastic bags from the corner shop. Not such a good idea – they both ended up being admitted to hospital with LACERATED LOVEY-DOVEY BITS, according to hossy director Nguyen The Luong. We're just happy they didn't use a string bag. Ow!

PUP-ZILLA!

OZ'S biggest dog, Old English mastiff Baron, drops turds so big his owner had to invent a special gadget to catch 'em. Every time Baron squats to push out one of his MASSIVE GROGANS, Mark York races around behind him and slides a contraption that holds a plastic shopping bag under the mighty mutt's arse. Baron is 198cm long and weighs 113kg, and at two, is still growing. "He eats two steaks a day, meat and biscuits, chicken necks for a midday snack, more meat and biscuits for dinner with some sardines, egg, pumpkin and veggies," reckons Mark.

JUNKFOOD GENIUS

OZ genius Mark Murray has made a huge leap forward in junk food by combining the hamburger and the hotdog into the food of the future, the Hamdog. Mark went on that TV show *Shark Tank* to look for backers, but the cunts gave him the bum's rush so he kicked it off on his own. "We launched two months ago and we had people come from everywhere just to experience the Hamdog," he reckons. "At one stage the crew were knocking out about one every 15 seconds. It was amazing," he said.

STOP FUCKEN PRESS

SHITTING PRETTY

YOU couldn't ask for a more beautiful final resting place for your STEAMING TURDS than this eighteen-karat, solid-gold BRASCO. The shiny shitter is an artwork by Eyetie Maurizio Cattelan and is on display at the Guggenheim Museum in New York. And yeah, art-lovers can even take an ARTY DUMP in it. Gallery staff will be cleaning off any CLING-ONS regularly. "Our regular cleaning staff will come by every fifteen minutes, and they'll use special wipes, like medical wipes, that don't have any fragrance or colour or oxidizers. And we have a steam cleaner that we'll use periodically," said museum curator Nathan Otterson.

PUSSY PURSE

WHEN Kiwi taxidermist Claire Hobbs saw a dead cat by the side of the road in Christchurch, she immediately thought "handbag". A bit of de-gutsing, tanning and stitching later and Claire had herself a one-off fashion item. She reckons heaps of people bagged her out for it, but just as many asking where they could get one.

SUPERSIZ

Massive sheila wants to be world champ of chubby

WE ADMIRE women with ambition, drive and guts, so you can imagine how much we fucken LOVE Seppo go-getter Monica Riley.

'Cos if there's one thing she's got it's guts. Lots and lots of guts. She's so GUTSY, she hasn't seen her smoo for years!

And Mon's driving ambition is to have even MORE GUTS – she's eating her way to becoming the fattest women in the world.

Already tipping the scales at 320kg, she plans to keep scoffing until she's a cuddly 450kg and CAN'T FUCKEN MOVE AT ALL!

"The plan is to reach 1000lbs and become immobile!" the 27-year-old says, quivering like a plate of HALF-SET JELLY with excitement.

Helping Mon out in her quest is her boyfriend Sid, who cooks for her and TUBE-FEEDS her a tasty mush of cream, ice-cream and cakey shit to help pile on the kilos.

Once she reaches her ideal weight, Mon plans to never leave her bedroom in Fort Worth, Texas.

"I'd feel like a queen because Sid would be waiting on me hand and foot. He already has to help me get off the sofa and get me out of bed."

Being roughly the size and weight of a Volkswagen doesn't mean Mon doesn't have her WOMANLY URGES.

"The bigger I get, the sexier I feel. Our sex life is really good. Obviously we can't do every position in the world..."

Well, no. Not with killing Sid.

Mon pays for her truckloads of food with her modelling work. She dressed in lingerie and crams tucker into her gob, Sid films it, bungs it on the internet, and her 20,000 fans send her dosh.

She reckons she's aware of the health risks, but says she just doesn't care.

"At least if I die this way I will have lived the life I wanted. I could get hit by a car tomorrow and my life would be over," she says.

Not to mention the car would probably be totalled as well. Try explaining THAT to your insurance company! ■ Picture

How to turn a Suby into a coffee table

First, smash up one Subaru WRX

YOU'LL have heard of coffee tables – they're those things you bang you shins on when you're going to the fridge for another BEER.

Beautly, as well as coffee, they can actually be used to put your beer on, so they're not bad things to have around.

And they're even BETTERER when they're custom-made out of a genuine donk from a wrecked Subaru WRX, instead of chipboard and fucken LAMINATE and bought from some rip-off chain store for, like, a FARSAND bucks.

When this bloke in bloke in Florida, USA, had his Suby totalled in a bingle, he salvaged the engine, degreased the fucker, painted it up nice, bunged a slab of glass on top and BOB'S YOUR FUCKEN UNCLE!

Of course, if you ran into this in the dark while looking for the brasco, you'd FUCKEN DIE, 'cos it weighs a ton. At the very least you'd end up a HELPLESS CRIPPLE.

But shit eh. Having a Suby donk coffee table in the lounge room is worth the risk, we reckon.

Warnie bong gets rock star's approval

WHO would've thought that all these years after he retired from the test cricket arena, Shane Warne's ORANGE HEAD could still bring so much joy and inspiration to the world?

Now it looks like the SPIN KING might be the subject of a new rock opera, if this photo of Ed Sheeran about to LUNG ONE BACK out of his Warnie bong is anything to go by.

Ed picked up his SKUNK SAXOPHONE while out here on holiday, and he couldn't wait to post a pic of himself packing it with some smooth BRUNSWICK HEADS.

And if that doesn't give him enough material for his next album, he can always take a toke on Tony Abbott, get shitfaced with Shannon Noll or BONG ON with Britney.

All these bongs are made by bongologist Tom Mason and sold at www.gatorbeug.com.

Porn babe

PORN-watching *Game of Thrones* fans will have noticed another professional fucktress who cropped up in the popular series.

Pommy porn babe Samantha Bentley, 28, played a prossie in season four in a knock-shop in Braavos, gettin' nude in a bath with some cunt who PROBABLY GOT KILLED very soon afterwards.

"There was no sex in my scene, which I guess some people

were surprised about," she says. "But I am naked."

Oh well. That's something, eh.

But it was pretty tame compared to Sam's AVN-award winning appearance in *Brooklyn Lee: Nymphomaniac* for which she got a gong for Best All-Girl Sex Scene.

Sam she says she's gunna eventually have to get used to NOT ROOTING every time someone yells 'action' if she wants a proper career in NON-FILTH movies.

"I can't do porn forever," she says. "I want to branch out and do more mainstream stuff. I don't ever want to get to the point where I'm milking it, where I'm standing there going, 'Oh God, nobody's looking at me anymore,'" she says.

She reckons doing G.O.T was beaut, but she quickly worked out who in the cast knew their porn and who didn't.

"Certain cast members, who will remain nameless, recognised me from porn. That was pretty funny, if highly awkward."

While she's waiting for her big break, Sam's still doing the hard yards in stick flicks, so it's a good thing she FUCKEN LOVES IT!

"I like rough, nasty and extreme sex. Anything that raises eyebrows and gets attention. I like to shock people." Picture

BOOZE SHAT

Booze is a truth serum

Yeah, right. What's the first thing you tell the cops when you're arrested? "I'm not pissed!" Work it out for yourself.

You shouldn't mix your drinks

Don't see why not. It demonstrates open-mindedness and adaptability. And what happens if whoever's supplying the drinks runs out of one thing and you have to switch to another? It pays to be quick on ya feet.

Gin makes you sad

Only when the bottle is finished. I won't lie, I've shed the odd tear when belting back gin and tonics, but only when I've squeezed the lemon in my eye. Otherwise, happy as fucken Larry.

Carl Lagerfuelled calls 'time' on drinking bullshit

G'DAY. Chuck us the price of a new Audi? Fuck ya then. Carl here, ready to give youse the wisdom of me many years on the piss.

Being the smartest cunt I know, I thought it was up to me to set youse straight on a couple of often misunderstood aspects of the subject, so pour yourselves a cold one, take notes and don't interrupt. ■ Picture

MYTHS TERED!

Blackouts are a sign you've had too much

Don't be stupid. Blackouts are beaut. Notice how they nearly always happen when you've done something really stupid you wouldn't want to remember anyway? Problem solved!

Girl-drinks are for girls

Nah, they're alright. 'Specially if there's fuck-all else to drink. Then sure, chuck me a Midori-and-peach-schnapps frappe. I ain't proud. I can be one of the girls.

Booze ruins your sex life

Nah, I'm not havin' that. If anything, it enhances it. Because if you're pissed, chances are she will be, too, so she's not gunna notice how crap you are. How genius is that?

Booze doesn't make you sing better

Does too. At least, for the average fuckwit who can't sing, it does. If you're Beyonce, probably not so much, but if you're starting from a baseline of shithouse, anything's got to be an improvement, right?

Booze makes you aggressive

Nah, fuck ya! You can stick that up ya arse. Does fucken NOT! And I'll kick ya fucken teeth darg yaggen gronk throat farn kill carnt smash... erm, didn't mean it, sorry. How 'bout another drink?

You can't get drunk if you count your drinks

You can if you count up to 37.

You're an alco if you drink alone

Fucken ridiculous. Sometimes it's then only way you can get any decent conversation. Besides, you're never alone with all those other people in your head ...

SUCK it up, cock-a-roaches – Tabu here is a died-in-the-wool Queensland fan. Yep, she's LOONY about the MAROONIES!

"I was overseas for the first two games this year and frantically trying to get news about who won," she tells us while polishing her full-size ALFIE LANGER garden gnome.

Gotta favourite canie player, Tabs?

"Not really. I like 'em all. I don't think I could choose a favourite."

Any plans for next year's series?

"I want to get nude in a pub where lots of people are watching a game. It'd be so fun doing a shoot there!"

We'll be there with our big lenses! How'd ya like doing THIS shoot?

"It was a lot of fun. A couple were watching me from a car and they cheered. Afterwards they came over and the girl wanted to know if she could be in PICTURE mag too!"

A WOMAN was in bed with her lover when she heard her husband coming home.

"Hurry!" she said to her lover, "stand in the corner."

He did so, and then she quickly rubbed baby oil all over him and dusted him with talcum powder.

"Don't move until I tell you to," she whispered. "Just pretend you're a statue."

"What's this, honey?" the husband inquired as he entered the room.

"Oh, it's just a statue," she replied. "The Smiths bought one for their bedroom and I liked it so much, I got one for us."

The husband seemed OK with that, so they went to bed and went to sleep.

Around two in the morning the husband got up, went to the kitchen and returned with a sandwich and a glass of milk.

"Here," he said to the 'statue'. "Eat something. I stood like an idiot at the Smiths' for three days and nobody offered me so much as a glass of water."

JOKE OF THE WEEK WINS $100

A BLONDE finds herself sitting next to a smart-arse lawyer on a long flight. The lawyer keeps bugging her to play a general knowledge game to prove how smart he is.

The lawyer offers her odds of 10 to one, so that every time she can't answer one of his questions, she owes him $5, but every time he can't answer one of hers, he'll give her $50. The lawyer figures he can't lose. Finally, the blonde accepts.

So the lawyer goes first, and his opening question is: "What is the distance between the Earth and the nearest star?"

Without saying a word the blonde hands him $5. Then the blonde asks, "What goes up a hill with three legs and comes back down the hill with four legs?"

Well, the lawyer is puzzled. He pulls out his laptop, consults websites, does numerous calculations and texts all his brainy mates for help but still can't come up with the answer. Finally, angry and frustrated, he gives up and pays the blonde $50.

The blonde puts the $50 into her purse without saying another word, but the lawyer insists, "What's the answer? I have to know!"

With a sigh, the blonde hands him $5.

The priest said: "Rubbing is the same as putting it in. Say five Hail Marys and put $100 in the poor box."

The man walked over to the poor box, took a $100 note out of his wallet and rubbed it on the outside, then put the money back in his wallet.

The priest shouted, "Hey you didn't put it in!"

"Yeah, but you said rubbing is the same as putting it in." the man replied.

A WOMAN was hammering down the freeway, way over the speed limit, when she went under an overpass only to find a cop with a radar gun set up on the other side lying in wait.

The cop pulled her over, walked up to the car grinning like a dickhead and asked, "What's your hurry, sweetheart?"

"I'm late for work," she replied.

"Oh yeah?" smirked the cop. "So what do you do for a job, little lady?"

"I'm a professional rectum stretcher," she responded.

Puzzled, the cop asked, "And just what does a rectum stretcher do?"

"Well," she said. "I start by inserting one finger, then I work my way up to two fingers, then three, then four, then I shove my whole hand in. Then I work it from side to side until I can get both hands in, and then I slowly but surely I stretch it until it's about 180cm wide."

"And just what the hell do you do with a 180cm arsehole?" the cop asked.

She replied, "You give him a radar gun and park him behind an overpass."

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

https://twitter.com/ThePictureMungo

HELP THE WEEDY

MUNGO, as an enthusiastic choofer, the way things are going I'll be flying to the States to have a smoko of the green before it'll ever be legal here. They reckon they're gunna have medical marijuana here soon, but how's that gunna help me when I feel like a choof before mowing the lawn? Will I have to get a note from my doctor?

M.L., TORONTO, NSW

MUNGO SAYS: It's got me fucked. I dunno what saving kiddies with leukaemia has got to do with me spending an arvo on the couch watching a Clint Eastwood movie marathon and eating anchovies out of the can, but apparently we can't have both. Colorado's looking good for the hols. I might even meet Clint there.

OLD HOMIE WEEK

I WAS just thinking the other day about the thousands and thousands of Home Girls that have appeared in the mag over the years, and how they're all out there in the community somewhere. I wish they'd wear badges with their name and issue number on it so I could identify them and rush home and check out their photos.

RONNIE, GERRINGONG, NSW

MUNGO SAYS: That's a beaut idea. Personally, I'd love to know that the girl pouring me a beer in my local is (issue #1154) Jasmine, 22, from the Gold Coast, loves bum sex, bingo and bricklaying. It would brighten my day. At the very least it'd be a good conversation starter.

LA BOUCHE TUCKER

MUNGO, I heard about these two French backpackers who did a week in jail for setting fire to a quokka on Rottnest Island in WA rather than pay their fines. Farn carnts, eh Mungo, torturing our wildlife. Worth eight years in the Bay, I reckon.

J.K., EASTLAKES, NSW

MUNGO SAYS: I'd give 'em the benefit of the doubt. I reckon, being French, they were probably trying to cook it. You know what the Froggies are like, they eat fucken anything, so I just think when they saw a new critter, their natural instincts came to the fore and the first thing they thought was, 'How do we eat it?' Obviously, their first go wasn't a great success, 'cos it hopped away all blistery and that, but who knows? Maybe we'll see quokka flambe sur le sticque on pub menus soon. Quokka nuggets? Yummo!

MUNGO WANTS TO KNOW...

Have you ever thought how one thing in life we refuse to decimalise is the slab? Two dozen beers. Four six-packs. Perfect. Now try a 20-can slab. Four five-packs. Or five four-packs. Just doesn't work. Goes against nature.

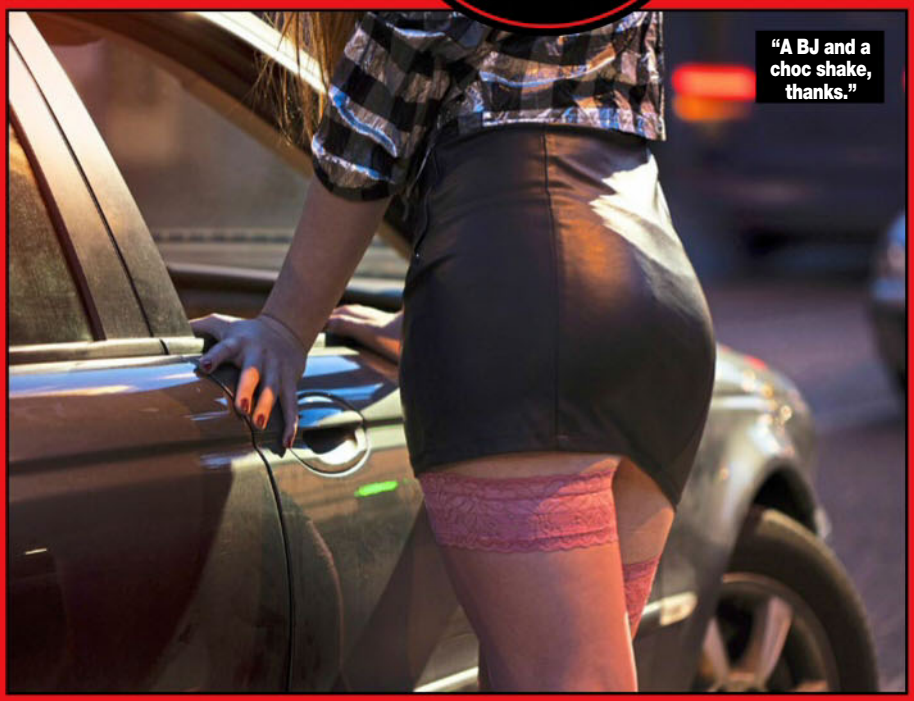
PROSSIE TUITION



I'M CONFUSED, Mungo. It used to be a root was a root, but now when I see ads for escorts there's all this other stuff you have to choose between, like GFE and PSE. It all sounds quite medical to me, like choosing between a course of antibiotics or a camera up ya clacker. Help me out here, Mungo. I don't wanna appear all ignorant and unsophisticated.

N. B., MARRICKVILLE, NSW

MUNGO SAYS: There's such a plethora of choices on offer at your local knock-shop these days you need a Phd in fuckology to work it out. But roughly speaking, GFE, or girlfriend experience, is when they hold your hand. PSE, or porn star experience is when they piss in your mouth. There are shades of grey in between, but that's roughly it. I hope this helps.

PICK A BOX

MUNGO, here's a TV show idea for ya – instead of Farmer Wants a Wife, we have Tradie Wants A Root , and in it you just line up a bunch of tradies and a bunch of horny women, and they fuck each other. Nobody has to get married or anything shitty like that. You can host it, and I'll collect the dosh. Winner!

B.K., EMERALD, QLD

MUNGO SAYS: Mate, KA-CHING! Can't miss. No fucking around with roses and first dates, just tongue down the throat, hand down the pants, SHOW TIME! Dunno why they have to keep making these shows so complicated.

That'd singe ya short 'n' curlies!

FLAMING HECK

These days, motorcycles are flash, high-tech jobs with computerised whatsits and microchips up the wazoo. They don't spray oil everywhere, they don't make noises like farting buffalos, and they definitely don't burst into flames while you're waiting to start a race. Which might be a good thing. The jury's still out on that one. You might wanna ask antique Seppo 'cycle fanatic Carl Temple his opinion on the subject. Carl was at the starting line at a track in Wauseon, Ohio, givin' his old Indian a bit of throttle, when, lawks-a-mussy, the fucker went up like a bonfire! And we're pretty sure it wasn't supposed to do that. Carl figured he'd better get off before his chestnuts were well and truly roasted, so he bolted and track staff hit the flaming Indian with a fire exinguisher. Turned out a cracked fuel line was the culprit. Ah, the thrill of antique motorcycling, eh?

SHED HEADS

Oz's best MAN CAVES

WHO Tommi
Visual Merchandiser at Total Tools

WHERE: Dapto, NSW

Game of chess, anyone?

HOW'D YOUR CAVE GET STARTED: "It was an old workshop that I pulled apart and rebuilt, then filled up with things I'd either been collecting or gotten off the freebie section of Gumtree. Some of the collection come from when my partner and I bought a van and drove from Los Angeles to New York picking up items from places like football stadiums and pawn shops, which is why it has that '50s American diner style."

FAVOURITE FEATURE OF THE SHED: "My hats. I have over 55 flat brim hats from all over Australia, USA and everywhere else I've been. If any mates ever go away they'll always bring me back a hat."

SHED MOSTLY USED FOR: "It's disjointed from the house so we mostly use it for parties and watching sport. I like it as it's not your regular shed in Dapto full of NRL stuff – I have a lot of EPL, NBA, NFL, MLB memorabilia in there."

WHY I LOVE MY SHED: "It's a collection of my personality, but there's also a lot of family history in there. My dad was a race car driver in the '60s and '70s, racing against the likes of Peter Brock. I built it so we could watch the Bathurst 1000 together but unfortunately he died before that was possible. He did get to see the shed, though. I've also got his racing trophies and photos up on the wall. Dad was definitely a big part of making this cave."

Talking Dirty

A FINE LINE...

RECENTLY my missus was giving me a blowie when she accidently bit down on my nob. Far from yelping in agony, I actually kinda enjoyed it. Now I think I might be one of those pain-loving blokes who like getting whipped and shit. What's the next step I can take in mixing my pleasure with pain?

TYSON, SOUTHERN CROSS, WA

TRINITY SAYS: ***Test your limits and try different areas and styles of pain, such as biting, scratching, whipping, or pinching. I think a new found pleasure is exciting, so enjoy it and have fun exploring!***

YELLOW FEVER

I'VE got this thing for Asian birds, Trin. I can't really help it, I don't know what it is about them but they really turn me on. I'm third-generation Caucasian Aussie so I'm pretty much as white as you can get. I know a few other white mates love the Orientals as well and there's heaps of pornos about white guys and Asian chicks, so I was wondering if there was some weird reason why white blokes love Asian girls so much?

K.B., MELBOURNE, VIC

TRINITY SAYS: ***It's very normal for people to enjoy the Asian persuasion, a bit of oriental delight if you will. Just like some people like dark skin, big girls, blondes, brunettes etc... it just comes down to preference. No big deal, mate!***

PULL THE OTHER ONE

I LOVE getting handjobs, but my girlfriend doesn't share my passion, to the point where she just won't do it. I probably shouldn't complain. I get laid whenever I want it for the most part, but this morning I was having a hard time coming and out of nowhere she pops up and jerks me off till climax. It really took me back. Would it be bad to fake having climaxing issues in hopes she does it again? Or is that unfair?

T.V., BREAKFAST POINT, NSW

TRINITY SAYS: ***Nah, sometimes you've gotta do what you gotta do in order to get what you want. What you're doing is harmless. Obviously she's a top bird who only wants to satisfy you (hence why she did it) so don't abuse it. Only do it every now and again.***

STRIP SEARCH

MY WIFE is gunna dance at an amateur stripper competition. We've really been getting into exploring her exhibitionist side lately. But I've got a few questions about strip club etiquette. Is it okay for a woman

to not take everything off? And, do people still throw tips at the dancers? Also, do you reckon it would be okay for me to tip girls other than my wife?

F.H., DENHAM, WA

***TRINITY SAYS:* It's a strip club, mate – people go there to see nude women so your missus will need to get naked, too! Yeah, they 'make it rain' all the time - just don't throw coins! If the girls are doing a great job and you like them then you should certainly tip. Just set the ground rules with your wife beforehand.**

DILL WITH THE PILL

ARE there any pills you can buy to get a woman to be horny? I am a married man, but my sister-in-law told me that she has lost interest in having sex with her husband, so I'd like to help her out.

T.T., THE PONDS, NSW

***TRINITY SAYS:* There are loads. Both natural and pharmaceutical. Depends on what works for the individual. I always suggest trying all natural methods first before seeing a GP and having something prescribed. Funny she told you though – perhaps she wants you to help her out!**

TRINITY'S SEX TIP

A great way to spice things up in the bedroom is get some rubber sheets. You can pour whatever you want on them – oil, ice-cream, chocolate sauce, water – then slip and slide about as much as you like without worrying about ruining your nice sheets. They suit all body and sex styles and are an absolute must have for squirters!

EX-SQUEEZE ME?

SO EVERY time my lady's coming, she clenches her legs and sorta pushes me away. Has this happened to you Trin? She came the fastest she ever has from fingering, and when she clenched her legs my arm was kinda in between her legs so I couldn't really pull out, so I stopped. But if I kept going would she have had a harder orgasm or maybe even squirted?

I.V., MASCOT, NSW

***TRINITY SAYS:* Yes! That's a very common thing that could've happened. Always keep going mate - don't ever stop! Take that shit to the next level and put some muscle in.**

HARD WORK

I REALLY like this girl at work, but I'm not sure how to put the hard word on her. Whenever we chat she seems up for it, but then my workmates reckon they've heard she has a man. Should I send her a dick pic to find out?

TREV, TOOWOOMBA, QLD

***TRINITY SAYS:* DO NOT SEND A DICK PIC. Seriously, just ask her if she's single or not. Why complicate things. If she is single then get her number, if she isn't then just back off. And if you ever send a dick pic it better be a good one 'cos**

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

YOU know how it is when you get something in your eye, like a speck of dust, an eyelash or an incy widdle BUG or something?

So how do ya reckon it feels when some huge, punchy galoot shoves his gnarly, calloused FINGER in there up to the first knuckle?

Pretty fucken FUCKED, we reckon.

So we can forgive Brazilian UFC fighter Fabricio Werdun for cuttin' up a bit rough after his heavyweight bout at UFC 203 in Cleveland.

His opponent, seppo Travis Browne, was delivering a gentle smash to Fabbo's face when a wayward digit "accidentally" slipped in the ol' socket.

Didn't make a lot of difference, but.

Fabbo went on to hammer Travis and win on points, then after the fight attempted to take on the American's manager and corner men.

Hell, he probably didn't know WHO he was fighting – he just wanted to keep hittin' people!

Ah, ya gotta love the SCRAPPY CUNT!

Afterwards Fabbo said his eyeball was fine, but the incident HAD caused him to take a good, hard look at himself – from the INSIDE – and he would be a better man for the experience.

Maybe that means he's gunna become a NUN. We dunno.

All that remains is for us to say – GET UP YA SOOK! Erm... sir. ■ Picture

Layla London loves a good serve

Digital Playground

"AS SOON AS I TRIED PORN I SAID 'THIS IS FOR ME'"

JUST a year ago, Layla London (not her real name, folks!) was a nanny, earning her living looking after some rich bastard's squalling brats, wiping their arses and making them FAIRY BREAD and VEGEMITE SOLDIERS.

Erm... after she'd washed her hands, of course.

"I was taking other peoples' kids to the park, looking after them, changing their lovely diapers," she recalls.

But being a professional rug-rat wrangler wasn't how she saw her life unfolding.

No indeedy. Not for this ambitious young lady.

Layla, from the UNITED STATE of North Carolina, wanted something more, something better, something... ROOTIER.

And now, by fuck, she's got it!

In just a short few months, Layla has become a bona fide STAR of the PORN, appearing in a half a dozen or so FUCK EPICS

PIN-UP

NEW BALLS!

"I'M ALWAYS UP FOR SURPRISES"

and earning herself a reputation as one hot PATOOTIE.

You could very well say she's gone from Mary Poppins to Mary POP-SHOT!

Well, YOU might not, but we're certainly gunna.

All things considered, Layla's is a good-news story that should GLADDEN THE PANTS of anyone .

"A friend of mine told me I ought to try porn, and as soon as I did I thought 'Yep, this is for me," the SPOONTY 22-year-old says.

"I got into it for the money and fun, but I've since discovered that this is my true calling."

Surpsingly, so far nobody has asked Layla to PLAY a nanny in any of her porno appearances , but she reckons she's up for the challenge if it ever arises.

"Sure, I'd give it a shot. I'm always up for surprises."

One surprise she won't be up for, though, is taking one up the ol' dirt road for the team.

"Nope, I won't do anal. Why should I, when I've got a perfectly good pussy, mouth and tits?"

Ya can't argue with that logic.

Now we think about it, we can't recall Mary Poppins ever taking it up the clacker either. ■ Picture

Emma makes her dirty debut
Made in

ng SMOO!

YOU'RE currently cracking a FAT over the very first nude shoot of Melbourne YOONI student Emma. And the 21-year-old stunna is almost as excited about it as much as you are!

"I was really happy with these photos," purred the 21-year-old. "I think I look really good considering I was out all night partying before that shoot."

Were you nervous at all?

"No, I started working as a stripper recently and I've become comfortable with being naked in front of guys. I'm starting to appreciate my body more and more."

What would you say is your beautest body part?

"I like my arse. In some positions it looks really good. I like it when guys grab it hard when we're having sex."

Have you ever been caught in the act of ROOTAGE?

"Almost. I used to work in a gym part-time and one afternoon had a thing with a guy in the women's change rooms. Of course somebody decided to come in while we were at it. It was very suss, but a lot of fun too."

And you saved money on a protein shake! What's your favourite shagging position?

"I know all the girls say doggy is the best – but that's because it is true. Nothing comes remotely close to the way it makes me feel. I like it hard, fast and dirty."

Made in Oz Girl

We just jizzed in our duds. Are you used to that sort of thing?

"I don't mind when guys come quickly. It shows they are turned on and excited. They've gotta be able to go again a little while later, though. And they've gotta have some good moves in bed."

Have you ever SLAMMED CLAMS with another sheila?

"No, the thought has never even crossed my mind. I'm just not interested in girls. It doesn't do it for me. I like strong men who know how to be dominant."

Are you single at the moment?

"Yes. Do you know anybody who'd be right for me?"

There's about 30,000 blokes reading this who'd be more than keen to say g'day. Picture

My Outdoor Fuck

BOUNCY-BOUNCY!

ME AND my girlfriend, Shona, were sharing a house one summer with three other couples, and it was shit because the rooms were so small you never get any privacy unless you shut all the doors and windows, and then it was stinking hot.

One night my girl and I were all hot and bothered looking out the window and in next door's backyard we saw a big trampoline, the kind with the safety netting up around it. It was midnight and there were no lights on in the house, so we snuck over there, climbed on and pretty soon worked out a few great techniques for fucking on trampolines. For some reason missionary didn't work very well, but doggy was great, I used the spring of the trampoline to push my babe's butt back into me as I pushed into her, thus increasing the thrust co-efficient of the forward motion, and making her squeal like a wild pig.

But the walls of the trampoline seemed to muffle the sound, and it was about 10 degrees cooler out there, so we spent every night for the next week out fucking on the tramp. It was so good we could hardly wait for the others to go to bed at night so we could sneak over.

We had another good technique where Shona knelt either side of me with my cock in her and bounced up and down on her knees. Sometimes we both got air doing that one. A real flying fuck, you might say.

We were actually out there fucking on the trampoline the night the owners came home from their holidays, but we saw the lights turn on and just grabbed our clothes and buggered off.

It was good while it lasted, and Shona reckons that her thigh muscles have never been stronger.

PITCHING A TENT

IT WAS one of those nights camping when you're all horny and relaxed and ready to fuck, but the tent is just too small, too hot and too uncomfortable to get it on properly.

Me and my boyfriend had hiked for miles and found this spot by a stream. We'd set up camp, had dinner, knocked off a few glasses of wine by the fire and were just getting down to it in the tent when we discovered there were more bugs inside the tent than outside, and that it was barely big enough to hold our gear let alone us too.

So we sort of rolled out of the front flap and lay there panting and sweaty outside, where we discovered it was heaps nicer and there was nobody around to see us anyway. So we took the last of our clothes off and made like Adam and Eve by the fire on a blanket, although I dunno if Adam and Eve started off with Eve on her knees sucking Adam's big, hard cock by firelight, then turning around and waving her dripping pussy in his face until he ate her out from behind.

The bible didn't mention that if when they were having a 69er with Eve on top, she looked up from sucking Adam's shlong and went eyeball to eyeball with a brushtail possum that'd wandered into the firelight to check for food scraps. 'Cos that's what happened to me and I immediately shoved backwards and nearly broke my fella's nose. He was a bit miffed, but I made it up to him by giving him the best blowie finish and letting him come all over my tits while I looked up at the stars.

We woke up and had another ace outdoor fuck before putting our clothes back on and going back to "civilisation".

I WAS staying with my girl and her olds at their holiday house one year, and even though we were sleeping in the same room I didn't think we were going to be able to pull off a root for the duration.

It was a pretty small house with fibro walls and it'd be a bit embarrassing. So we were holding on until we went home, until one night we were both just so horny we couldn't stand it anymore and did a bolt after dinner and said we were going for a walk along the river. We didn't get anywhere near the river – in fact we didn't even get out of the backyard.

As soon as we were out of the light from the windows, we just dropped down behind a bush and started to tear into each other. We could still hear her mum and dad arguing about whether they should open another bottler of wine or not as my babe slid her hand down between us to free my dick from my shorts. In one pretty slick manoeuvre, she swung a leg over me, pulled the crotch of her G-string to one side and scored a bullseye with my cock head in her swollen pussy.

My legs were sticking out from behind this bush at one end, and her head was poking over the top so if her olds had looked out the window it would've looked pretty weird. But we were too far gone to care by that stage and she rode me really hard, so much so we both started to grunt and moan a bit, which set off next door's dog. Still we didn't stop, and we both managed to come before having a little post-root collapse behind our bush.

As we lay there, I could see the moonlight glistening off the sweat between her thighs and I thought to myself, "Fuck that was hot!".

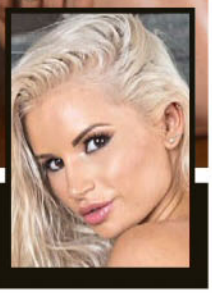
BEAUT BUM ASK THE HOMIES FLASHBACK TOP TITS

"I like trying new things and to keep things interesting"



AMY
UPPER HUT, NZ

"I don't know if I have a type of porn I like most but I'm super picky with which videos I watch," says 25-year-old Amy. "I just skip to the juicy stuff rather than watch the beginning." ***And miss the important plot points about what is actually wrong with the pool? What else gets you going?*** "My biggest turn ons are when a guy grabs you pulls them towards you and shows them how badly they want you. I also love muscles, so someone who is ripped or big makes me wild; it's something to hold on to. I like trying new things and to keep things interesting. I also like it rough; biting, choking and scratching."

HAVE YOU EVER BEEN BUSTED MID-ROOT BY A FLATMATE?

"I sure have. It happened only a couple of weeks ago. He left the house straight after."

KIM
MELBOURNE, VIC

"I had sex with an unknown guy and a friend of mine in the toilet in a cocktail bar in Melbourne," says 25-year-old Italian traveller Kim, who certainly knows how to make the most of a holiday. ***Was that your first three-way?*** "No, it was the second one. I like the fact threesomes are mainly fun between the girls. While having sex with just one guy puts the women in power." ***Do you ever get any one-on-one practice with girls?*** "Not for me. I would not have sex with just one girl. I like threesomes for the female teamwork to make the boys horny." ***Sounds like you're a real team player, Kim. Good onya!***

HAVE YOU EVER BEEN BUSTED MID-ROOT BY A FLATMATE? "I have been surprised while having sex. I did not realise my flatmate was coming home. She opened the door and saw me and the guy having sex on the couch. We both laughed like hell."

"I like threesomes for the female teamwork"

"The best mix would have to be two girls and one guy"

CORDELIA
BARDON, QLD

This 23-year-old supermarket chick has a superb hobby: threesomes. "Threesomes are great fun." ***What's the ideal gender mix?*** "The best gender mix for me would have to be two girls and one guy. You get the best of both worlds. I've never tried with two guys or with two other girls – how unfortunate." ***What's your fave threesome position?*** "Doggy on all fours, my face in between the girl's thighs while being fucked from behind." ***What's the best thing about MUFF-DIVING?*** "The taste, of course." ***What tastes better; pussy or cock?*** "Cock." ***Are you planning to try an orgy soon?*** "They've never really interested me." **HAVE YOU EVER BEEN BUSTED MID-ROOT BY A FLATMATE?** "No, but I was caught by a parent."

"I've done strip dancing at a party"

MARIEL
BYRON BAY, QLD

Mexican graphic designer Mariel, 25, is travelling around Australia and Asia before returning to the land of Speedy Gonzalez. If her knack of brightening up parties is anything to go by, her mates will be keen for her to get back as soon as possible. "I have a great sense of humour: the sexiest thing I have done is strip dancing once at a party for a friend of mine." ***How many people watched you dance naked?*** "Fifteen." ***Did it feel fun or scary? Or both?*** "It was both." ***Was it a solo show or did you have a dancing companion?*** "I did it with another friend of mine." ***What do you miss about Mexico while you travel?*** "I miss the food. I will miss friends here in Australia when I leave, though." **HAVE YOU EVER BEEN BUSTED MID-ROOT BY A FLATMATE?** "No. Luckily I have not."

"I felt confident as soon as I took my clothes off"

EVA
CAIRNS, QLD

This is the first – and hopefully not the last – time slender 21-year-old casino employee Eva has stripped off for a camera. "I felt confident as soon as I took my clothes off. I thought posing nude would be great fun and I have always wanted to do it." ***Would you recommend it to anyone thinking about it?*** "Yes, definitely." ***What next; a career in porn?*** "Travel – and maybe a porn career. If the opportunity came up, I'd definitely think about it, although I don't really know a lot about porn or erotica." ***We're sure you could learn on the job as you went. We'd happily watch your first films and offer any tips.***

HAVE YOU EVER BEEN BUSTED MID-ROOT BY A FLATMATE? "No. Never a flatmate, but I was at a party once having sex in the bathroom and someone walked in."

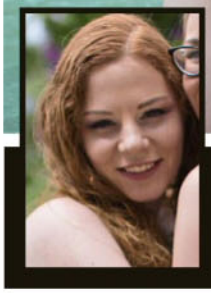
CINDY
MELBOURNE, VIC

"I prefer to watch live cams over actual porn," says 32-year-old dark-haired stunner Cindy, who can be seen frantically getting herself off online on occasion. ***What makes them a better HANDS-DOWNSTAIRS option?*** "Webcam couples are more realistic than staged porn scenes, in my opinion." ***Have you ever gone the whole hog and fucked someone on cam?*** "Not live, no. Not yet anyway." ***We live in hope.*** "I'm just doing videos for the moment with another male. I've done small amounts of sexual things with other women live on cam, though." ***We may have to spend even more time online.*** "Ultimately I just like getting and being naked. It's sexy making people pay to see me come on webcam." ***Nothing sexier than making money, eh!***

HAVE YOU EVER BEEN BUSTED MID-ROOT BY A FLATMATE?

"No, I haven't."

$400 HOMIES WHO LOVE HOMIES



AVALON & LILITH

BRISBANE, QLD

Avalon, 29, and her 23-year-old buddy Lilith look prime candidates for THE PICTURE's campaign to have swimming costumes banned across the nation. ***Whatcha reckon, ladies?***

Avalon: "Not banned, but they should definitely be optional. Nothing feels as liberating as swimming naked. Just your skin and the water."
Lilith: "People should be free to choose if they wear a costume or not, I don't think nudity should be taboo."

HAVE YOU EVER BEEN BUSTED MID-ROOT BY A FLATMATE?

Avalon: "In our share house, sex was openly enjoyed and celebrated. Awkward moments include housemates wandering in for breakfast when I was bent over the kitchen counter."
Lilith: "Yep. Nothing special happened, unfortunately; just complaints. I blame jealousy."

"Kiss me softly around the ears"

TIFFANY

MACKAY, QLD

This bed-shittingly hot 26-year-old was on her way to a Britney Spears concert when we called her. "I'm a massive fan and have been for years. She's gorgeous, she's a mum, she's a star – she does everything!" ***Would ya turn gay for her?*** "I don't have any lesbian tendencies, but Britney is a different story. I don't think anyone alive could resist her." ***Will you be throwing your knickers at her tonight?*** "No, it's not that sort of concert – but I hear she won't be wearing much herself. I think the next concert I'll go to is Lady Gaga's." ***We've heard she's no lady!*** "Me too, but she must be able to tuck that penis away well if she's a man."

ALEXA

MELBOURNE, QLD

Awesome Alexa's natural DDs have been telling gravity to GET FUCKED since they first sprouted. ***We can't stop staring at your maracas, Alexa.*** "That's the problem that most men have. Guys yell out of their cars at me – it just doesn't stop." ***But you don't mind, right?*** "No, I'm a showgirl, and they make me a lot of money. The only time they get in the way is when I'm at the gym." ***Is that a good place to pick you up?*** "It can be. I once met a cute guy there and ended up having hot sex with him. He loved my tits and was always trying to play with my nipples." ***He was probably jealous of your MASSIVE PECTORALS.***

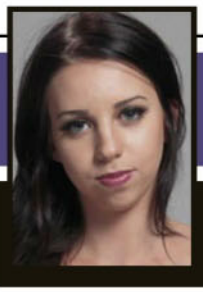
Home Girls

CLAIRE
WATSONS BAY, NSW

We get the highbrowest ladies here in Home Girls. "I do like reading De Sade," says 25-year-old Italian Claire. "It's fine erotica. That's where the name 'sadism' comes from. Exciting. I've used leather before. I can't tell you exactly what for. I will leave it to the imagination." ***What about smut that doesn't require an ability to read? Asking for a friend…*** "I watch some older Japanese ladies stories." ***And your own porn career?*** "I've never really filmed myself having sex – I don't want cameras in my bed. I like being free to express myself and move in front of a stills camera without clothes. I don't like the interruptions, it takes the magic away."

HAVE YOU EVER BEEN BUSTED MID-ROOT BY A FLATMATE?

"Maybe."



TIFFANI STAR
KULAMUNDA, WA

"When I get all dressed up for a night out, it makes me feel sexy," says 19-year-old Tiffani Star. We're not surprised, although hiding those boobs is a tragedy. ***What's your ideal night out: romantic dinner, dancing all night in a club or straight to the swingers' party?*** "Definitely a nightclub. My friends say I'm a party animal. I love dancing to salsa, but I definitely prefer something slow and sensual for sex."

HAVE YOU EVER BEEN BUSTED MID-ROOT BY A FLATMATE? "Well, I don't have any flatmates, but I was caught by my neighbour one time. They had come round to see me, but saw me having sex through the window for, I don't know, maybe five minutes. Then he saw me notice and walked away. It was a funny situation, I guess."

$400 HOMIE OF THE WEEK

CHARLOTTE
BURLEIGH HEADS, QLD

"I love checking out all the hot people when I'm at the gym," confesses 22-year-old hottie, Charlotte, who no doubt has her share of admirers when she's working out. ***Have you ever picked up anyone from the gym?*** "No, I just like to watch. Most people have their headphones in and like to be left alone." ***We're sure if you walked up to a bloke they'd be more than happy to have a chat. Who do you like to perve on more – men or women?*** "I think women try a little harder to look sexy. Not that you have to, but they just do. Although I do love watching a muscly guy lift weights!" ***Do you go for the big JUICED UP looking blokes?*** "I definitely like a guy who works out and is in good shape. I don't need huge muscles but a nice toned body is super-hot!"

HAVE YOU EVER BEEN BUSTED MID-ROOT BY A FLATMATE?

"I got sprung while I was being eaten out. We were in the lounge room, so it was kind of our fault!"

SEX TAPES

01. HUGE-ARSED Kim Kardashian was a fucken NOBODY when rapper Ray J gave her one on camera. Now she's married to king FUCKSTICK Kanye West and the famousest person in the world. Go figure.

02. Dustin Diamond, better known as Screech from *Saved By The Bell*, tried to resurrect his career by filming himself have a threesome. It didn't work. He did get to root two chicks, but.

03. Despite Tommy Lee and Pammie Anderson's 1995 honeymoon video being one of the most famous sex tapes of all time, of the 75 minutes of footage there's only 6 minutes of actual TONKING. Pretty shitty ratio, if ya ask us.

SIZE Really Does Matter!

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom
